Donations from the St. Peter Food Co-op are usually in the form of gift certificates or product. We typically do not give cash donations.

Our focus is to give support to local organizations who work directly in our community. We are not in a position to assist individuals. Rather, we support the organizations which are established to help individuals in need. This policy is always at the discretion of the General Manager.

It is our wish to help the community as much as we are able. We will carefully consider your donation request and will do the best we can to support your organization. Thank you for thinking of the St. Peter Food Co-op and for helping make this community effort a positive experience for all involved.

If you have any questions or concerns not addressed in this policy, please feel free to contact Jennifer at 507-934-4880.
